

All teams registered for the 2021 Ilanga Cup should note the following official updates to the amended Event Dates as approved by the Event Director, Robert Walker.

This Team Notice refers to the change and clarification regarding the postponement of the 2021 Ilanga Cup that was set to take place in July.

This decision is based on the recent Level 2 lockdown restrictions and halt brought to extra mural activities and sporting activities in schools. This has been imposed by government as a result of the 3<sup>rd</sup> wave of COVID-19 that is currently spreading throughout South Africa.

The health and safety of all participants and stakeholders are always the organisers' top priority. The event will simply not be able to take place with these restrictions in place and therefore this course of action has been applied and the event dates have been moved to September 2021.

All important event dates are indicated below:
